PROFESSIONAL SUMMARY

BCA graduate (2026) with a minor in Cloud Computing, targeting an entry-level Data Analyst role. Coursework foundation in data analytics, data mining, statistics, Python and databases, with a credited three-month AWS internship. Learning stack: Excel, SQL, Power BI and Python (pandas).

TECHNICAL SKILLS

- Data & Analysis:** Python (pandas, NumPy), data cleaning, exploratory data analysis, descriptive statistics
- Databases:** SQL, MySQL — joins, aggregations, GROUP BY, subqueries
- Spreadsheets & Reporting:** Microsoft Excel — formulas, pivot tables, charting; MS Office (Word, PowerPoint)
- Cloud:** AWS fundamentals (from credited internship and AWS for Cloud Computing coursework)
- Programming:** Python, Java, C
- Currently Learning:** Power BI (Power Query, DAX, dashboarding), advanced SQL (CTEs, window functions)

PROJECTS

Application Form Data Processing

- Designed a structured application form system with validation rules that reduced incomplete and erroneous submissions.
- Applied data processing logic to standardise and consolidate submitted entries for downstream reporting.

EXPERIENCE

AWS Intern — Credited Short-Term Internship

2025

RESHAPP Software Solutions Private Limited · 3 months · Grade: A+

- Completed a three-month structured internship in Amazon Web Services with daily instructor-led virtual sessions and hands-on labs.
- Practised AWS development best practices through guided exercises across core cloud services.

Community Service Project — Agriculture Review

2024

Rayalaseema University (credited project)

- Carried out a field review of local agricultural practices and compiled the findings into a structured project report.
- Coordinated with a student team to divide field work and consolidate observations into a single submission.

EDUCATION

Bachelor of Computer Applications — Minor: Cloud Computing

Aug 2023 – Apr 2026

Rayalaseema University, Kurnool, Andhra Pradesh · CGPA: 7.45 / 10

- Relevant coursework: Data Analytics Methods, Foundations of Data Science, Data Mining & Data Warehousing, Machine Learning, Basic Statistics, Python Programming, Database Management Systems, AWS for Cloud Computing.

Intermediate — Board of Intermediate Education, A.P.

Jun 2021 – Apr 2023

Nucleus Junior College, Nandyal · 639 / 1000 (63.9%)

SSC — Board of Secondary Education, A.P.

Jun 2020 – Apr 2021

Ravindra High School, Nandyal · 471 / 600 (78.5%)

CERTIFICATIONS & LANGUAGES

- AWS (Amazon Web Services) — internship completion, RESHAPP Software Solutions, 2025
- Languages:** English, Hindi, Telugu
